NOTES

This is the first edition of the directory and it is aimed to draw together a list of contacts for individuals, their families and carers.

It is aimed to assist improving the quality of life for individuals who may have some difficulties.

If you are aware of any other voluntary support Group that offers services to help people suffering from any condition that inhibits their lifestyle - please ask them to contact the author (*address on the back cover*) so that they can be included in the next issue.

Further copies, including in a large print format, are available by contacting the Rushmoor Access Group (*contact details overleaf*)
