

Time for a change?

Are you ready for a new challenge? One that will make a big difference to others. Then there's no better time than now!

The time is right for social entrepreneurs; people who use their enterprising nature for the good of society. The government is looking to people like you to overcome stubborn problems from the ground up. But it's not an easy and you'll need all the help you can get from people in the know.

Hampshire School for Social Entrepreneurs offers a year long programme to guide you through the initial stages of realising your true potential. Have you got a project idea? Something you are really passionate about, that will stand the test of time and is going to make a difference to people you want to help?

As a student with HSSE you will meet up for a day once a week with like-minded people; people in similar situations to yourself. There are no text books or lectures, just action learning 'apprentice' style. Be inspired by those who've been there as they share their successes and failings. We will help you to find and build the resources you will need to form your social enterprise or project.

If you've got a good idea and the drive that will make it happen, Hampshire School for Social Entrepreneurs would like to hear from you. It starts 02 Nov on Tuesdays, term time only in Aldershot. Download an application form on our website www.hsse.org.uk where you can also check out the videos and newsletters showing what goes on. The closing date for applications is **28 Aug**. If you're still not sure give Conroy Williams the Programme Manager a call: (01962) 857376 or come along to the 'HSSE drop in' on Aug 25 9am - 5pm at Beaconsfield House, Andover Rd, Winchester SO22 6AT.
