Fleet Pond Society. Registered Charity No 290637.
Founded 28th April 1976.

Where is Fleet Pond?
Northeast of Fleet town centre, adjacent to Fleet railway station.
Car park access via an unmade road from Bramshot Bridge over the railway off the A3103 Cove Road.

The Small Pond (or Club Pond) was once part of the main pond

Cut off by the railway line in 1836; is now privately owned

Fleet Pond Nature Reserve is 141 acres (57 hectares) of which the pond itself is 52 acres (21 hectares).

The pond, wetlands and dry heath are all notified Site of Special Scientific Interest (SSSI).

The southern heath is a Site of Importance for Nature Conservation (SINC).
