There is a serious shortage of charity trustees and school governors in Rushmoor and across the UK.

Organisations really need the skills and experience that people have to offer – could you help? Do you know anybody else that could help? We have lots of organisations who would be pleased to hear from you!

Funding Help - Thank you to the 42 groups that responded to our funding survey – we asked how we have helped with any funding advice and if our help resulted in new grants being received. 9 projects told us that they had received grants totaling £27k. If we help you to find grants and funding, please tell us!
