### Latest Fund Announced

#### [Communities Against Cancer](#)

##### What is the aim of Communities Against Cancer?

To support communities to improve their own health and reduce their cancer risk by: Increasing awareness of the signs and symptoms of cancer | encouraging people to get cancer screening | encouraging people to seek help at an early stage | helping people to prevent cancer by living more healthily. This funding programme is to prevent people getting cancer by increasing awareness of the ways that this can be prevented.

##### What size of grants are available?

This programme is offering grants of between £500 and £5,000.

##### Who is eligible for these grants?

Anyone who has an idea that will meet the aims of the project. This could be an organised group or an individual. If you feel that people in your community have poorer health (in relation to cancer) and would benefit from learning how to improve it, then why not get involved! Please note that a “community” can be geographical or an interest group.

### This Month's Top Tip:

#### Justify and Evidence Everything

Remember that you are asking for a funding body's financial support, so you need to be able to justify everything that you're asking for. Funders don't like vagueness. Therefore, make sure you address, explain, and expand on every point you make. Be specific. The clearer you are the easier your proposal is to understand.

### Upcoming Events

#### [Cancer Prevention & Awareness Workshop](#)

This workshop will cover how to reduce your risk of cancer, awareness of symptoms, cancer screening, importance of early diagnosis and health inequalities. These are friendly, informal workshops for people working/volunteering in the community or voluntary sector. Dates: Wednesday 3rd November 2021 10:00am-12:00pm | Wednesday 10th November 10:00am-12:00pm.
